Education

University of Ilorin

Bachelor of Arts in English and Literary Studies

Nov. 2018 – Nov 2023

Ilorin, Kwara State

Summary

Results-driven and technically proficient E-commerce Operations and CRO Specialist with extensive experience optimizing storefront performance, managing conversion funnels, and enhancing user lifecycles for global brands. Equipped with a strong analytical background and a Bachelor of Arts in English, combining elite-level international communication skills with hands-on technical expertise in platform troubleshooting, Shopify Plus layout optimization, and AI-assisted workflow automation. Proven track record of bridging the gap between customer experiences and growth engineering solutions, utilizing data-driven insights from A/B testing to minimize platform errors, eliminate checkout friction, and drive conversion rates. Currently based in Nigeria and fully prepared to relocate to Poland immediately upon receipt of a work permit/offer of employment.

CORE COMPETENCIES & CORE SKILLS

- **Technical & Platforms:** Shopify Plus, E-commerce Industry Operations, Web Development, HTML5, CSS3, Page Builders (PageFly & GemPages), AI-Assisted Workflows (Claude, Cursor, Codex), Content Management Systems (CMS) .
- **Operations & Data:** Conversion Rate Optimization (CRO), Technical Troubleshooting, Client Success Optimization, Data & Performance Tracking (KPIs), A/B Testing & Experimentation, Layout Alignment
- **Languages & Soft Skills:** Native/Fluent English, International Communication, Advanced Technical Writing, Workflow Automation, Cross-functional Collaboration

Experience

Remote E-commerce Support Services (Freelance Support) Dec 2024 – Present

- Provide comprehensive technical, operational, and conversion support for international e-commerce brands, ensuring seamless Shopify Plus functional and high-converting user experiences. And offering Global/Cross-Cultural Experience, understanding the challenges of working across different time zones and cultural business norms.
- **Store Operations & Growth Management:** Expertly manage storefront layouts, navigate advanced page builders, and execute custom CSS/HTML modifications to optimize.
- responsive layout design alignment, build high-converting landing pages, and maintain cohesive brand aesthetics.
- **Technical Troubleshooting & Funnel Optimization:** Actively identify, diagnose, and resolve systemic platform bugs, layout alignment glitches, and third-party API or checkout integration errors to minimize user friction, optimize product detail pages (PDPs), and reduce cart drop-off rates.
- **Data, CRO & Performance Tracking:** Monitor critical storefront key performance indicators (KPIs) and conversion metrics; synthesize data insights to implement strategic, client-focused A/B testing and experimentation variations that systematically enhance customer engagement.
- **Workflow & AI Execution:** Efficiently manage technical tasks and leverage AI-assisted development tools to optimize standard operating procedures (SOPs) within fast-paced, highly collaborative remote team environments.
- Maintained a 95% customer satisfaction rating while troubleshooting technical inquiries from global clients.
- Over 2+ years experience working with European clients time zones.
